

Detroit Lights

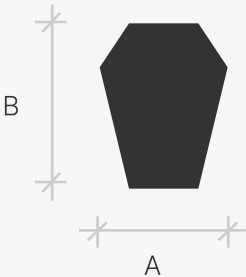

Desk Lamp, Style A

Parametric surface textures control light diffusion and shadow casting. These algorithmic lighting fixtures explore computation as a formal language - patterns that could only be generated through code, 3D-printed in translucent polymers with UL listed electrical components.

MATERIAL: SHADE - RECYCLED PETG, BASE - POLYLACTIC ACID
APPLICATION: INTERIOR
UL LISTING: E365544
CORD LENGTH: ~12'

A: Regular - 7" Regular - 11"
B: Large - 8" Large - 13"

BASE FINISHES

black	Hawaii blue	berry	Mint

NOTES

UL listing is provided for the electrical component. Alternative light socket available upon request.

Use LED bulb only. Do NOT exceed 9W.

INCLUDED

- x1 lampshade
- x1 base stand
- x1 E26 socket w/ power
